

Fall Fundraiser 2020

As previously announced, after significant reflection, we've decided to cancel our annual Holiday Craft Fair for this year because of the ongoing limitations placed on public gatherings due to the coronavirus.

However, we are happy to announce that our new fall fundraiser will be a Calendar Raffle full of great prizes to be awarded daily during the month of January 2021. Prizes will include gift cards to favorite stores, restaurants, gas stations, etc. and cash! The calendar will make a wonderful stocking stuffer or gift for family and friends! You can get some of your Christmas shopping done early!

For those who have generously contributed theme baskets, gift cards and supported our Holiday Craft Fair in the past, we prayerfully ask you to consider making cash donations to this new fundraiser and with the money received, the parish will fill the calendar days with gift cards and cash prizes.

The deadline for these cash donations is Friday, October 23rd. You may send us your donations by mail, dropping in the collection basket or dropping off at the parish office.

Additional information will be forthcoming, and we plan to have the Calendar Raffle available for sale in the beginning of November. Thank you for your continued support and generosity! We sincerely appreciate all you do for our parish!
